Furnish. Fit-Out. Transform.
Complete Club & Pub
Solutions.

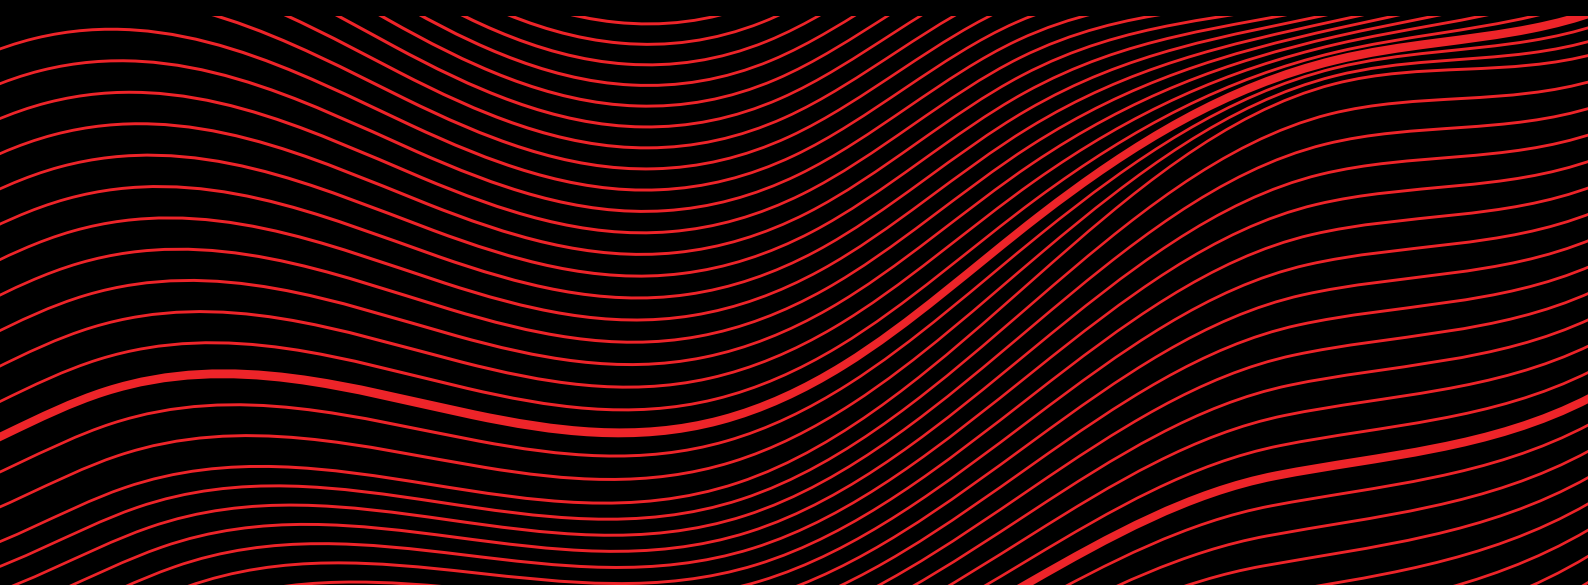

NEXTREND®

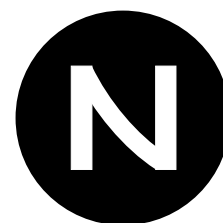

Turn your venue into the destination for great food, entertainment, social gatherings and memorable experiences.

We deliver complete pub and club refreshes and end-to-end fit-outs that go beyond furniture. From initial consultation and spatial planning through to furniture, flooring, lighting, joinery, social gaming, delivery and installation, we bring every element together.

The result is a venue that looks better, operates better and gives patrons more reasons to return.

Nextrend supports pubs and clubs through every stage of your venue refresh, bringing expertise and ownership so decisions are made with confidence.

Who We Are

TRENDLINE
GROUP

> About the Trendline Group

We're a family-owned and locally operated business based in Queensland, proudly serving Australians for the last 25 years and counting.

Since 1999, the Rowland family has built Trendline Group into Australia's trusted name in commercial hospitality. Today, through Nextrend, we're more than just a leading furniture supplier—we are your partner in complete venue fit-outs and space refreshes. We combine our deep retail and import roots with end-to-end design solutions to elevate clubs, pubs and leisure centres across Australia.

NEXTREND®

FURNLINK®

Trendline bridges global design innovation and local Australian hospitality across four core capabilities: online, wholesale, retail, and complete fit-outs. We pair world-class commercial furnishings with unmatched industry expertise to turn everyday spaces into standout, high-performing venues.

Meet Nextrend

> Your Partner in Creating Better Pub and Club Experiences

As part of the Trendline Group, Nextrend transforms hospitality spaces through premium commercial furniture, bespoke venue refreshes, and complete end-to-end fit-outs.

Whether you need a targeted seating upgrade or a full-scale renovation, we align every detail—from furniture to lighting—with your distinct style, timeline, and budget. To ensure an effortless process, a single dedicated team manages your entire journey: from tailored consultations and in-house design to seamless project management and comprehensive after-sales support.

Curating a 5-star hospitality experience that maximises patron satisfaction and your bottom line—that's our specialty.

Our Capabilities

> What can we do for you?

Venue Consultation & Design

We sit with you first — understanding the room, the crowd and the goal before anything is specified.

Full Venue Transformation

The whole room reimagined — furniture, gaming, flooring, screens and joinery brought together as one look.

Project Management & Install

One point of ownership from first plan to final fit-out — managed, installed and signed off by us.

Furniture & Fit-Out

Designed and built to the space — from seating to the bar itself — backed by a large held range for quick supply.

Social Gaming Experiences

SHUFL shuffleboard and FLYBY interactive darts — the drawcards that keep patrons in the room longer.

Ongoing Partnership

The relationship continues after handover — support, additions and the next refresh when you're ready.

Creating Spaces for Recreation and Relaxation

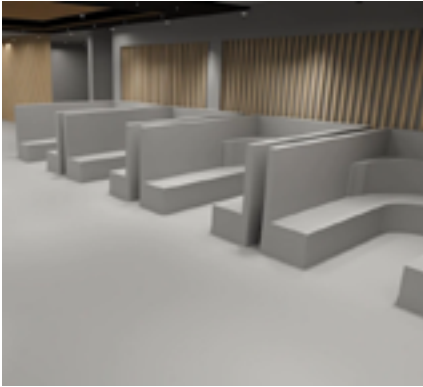

If you have a vision for your venue,
we're here to help bring it to life.

You Envision It, We Design It

➤ See your plans come to life

From fully realised concepts to blank slates, bringing a space together can be complex. Our dedicated in-house design team simplifies the entire journey, turning your ideas into functional, beautifully designed realities through core services including:

Layout Design

Expert spatial planning tailored to your venue—optimising traffic flow, capacity, and functional zones for maximum commercial return.

Renders

High-quality renders bring your floor plans to life—eliminating guesswork and ensuring your venue looks exactly as envisioned.

Furniture & Interior Design

We bring your venue's unique identity to life. From commercial-grade furniture and statement lighting to flooring and surface finishes, our team selects every piece to align with your brand, space, and budget.

CAD Drawing

Detailed CAD plans suitable for coordination with builders and project trades.

Vision to Reality

➤ From layout planning to fast delivery and hassle-free installation, Nextrend handles it all

We collaborate with you to deliver full-scale refreshes and fit-outs, encompassing bars, carpeting, planters, lighting, and beyond. With our extensive supplier network and experienced in-house team, we transform your initial vision into a fully finished venue.

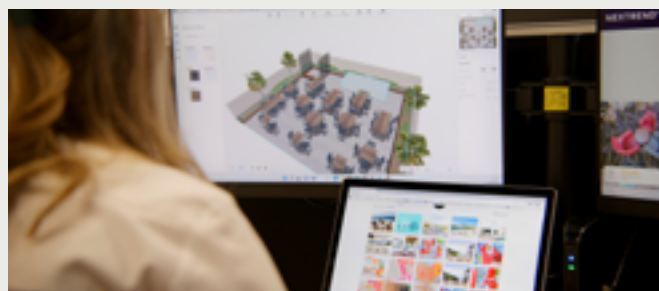

1. Consultation

We learn how the venue operates, who uses the space, what needs to change and what success looks like.

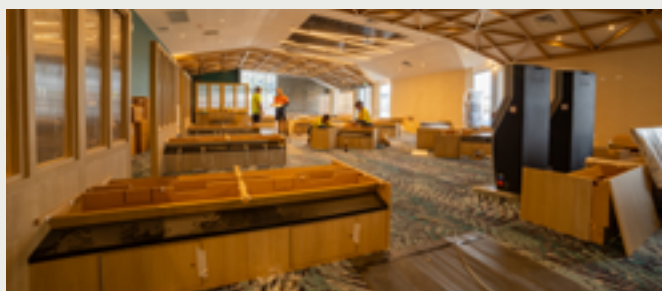

2. Concept & Design

We develop layouts, furniture selections, finishes, renders and a clear proposal aligned with your scope, timing and budget.

3. Deliver & Install

Your project partner coordinates supply, delivery, installation and project details through to handover.

4. Aftercare & Ongoing Support

We stay involved after completion, supporting additions, replacements and the next stage of your venue refresh.

Keep the competition fierce
and the drinks flowing.

Games Worth Gathering Around

➤ Transform spaces in your venue into excitement and competition that generates revenue

Competitive socialising brings people together through memorable, easy-to-enjoy experiences that encourage them to stay longer and return more often. Nextrend supplies and supports a core range of proven concepts—including handcrafted SHUFL shuffleboard, interactive SHUFL.TECH and camera-tracked FLYBY darts—and can also help source selected sporting simulators and interactive games to suit your venue and audience.

Nextrend has partnered with The Social Gaming Group from Europe to bring this innovative technology to Australia. Competitive socialising is transforming hospitality venues globally by combining group entertainment with food and beverage experiences.

SHUFL

Handcrafted, curved-surface shuffleboard. Easy to learn, built to last, and impossible to walk past.

SHUFL.TECH

Shuffleboard supercharged with camera tracking, overhead screens and automatic scoring.

FLYBY Interactive Darts

Competition-level darts, reinvented with three-camera tracking and AI coaching.

Additional competitive socialising experiences

We can also help source selected sports simulators, batting experiences, bowling concepts and other interactive games to suit your venue and audience.

Our Brands

➤ Bringing the World's Best Brands to Your Door

We partner with leading international furniture brands and continually source new ideas, materials and innovations from around the world. Alongside our custom furniture capabilities, this gives you access to a carefully selected range of premium, commercial-grade indoor and outdoor furniture suited to the demands of busy hospitality venues.

Every product—whether imported or developed in-house—is assessed through our quality-control process and tested for commercial use. The result is furniture you can specify with confidence, backed by reliable performance, proven quality and the support of the Nextrend team.

> One Place, Endless Possibilities

A delicious experience worth savouring.

You can create a dining experience your guests will never forget.

Turn your venue's dining area into an unforgettable destination. From a smart mix of booth, bar, and table seating that optimises member flow, to a complete floor-to-ceiling refresh involving carpet and lighting, we handle it all. Our team designs dynamic, comfortable spaces that elevate the member experience and directly boost your bottom line.

NEXTREND®

Sports Bar Spaces

> One Place, Endless Possibilities

The perfect place to unwind and connect.

Where the game's always on and the banter never stops.

As one of your club or pub's busiest spaces, your sports bar demands both durability and style. Whether you need a quick refresh with ergonomic bar stools and tough, commercial-grade tables, or a complete fit-out with a custom bar and giant wall screens, we handle sourcing, integration, and installation from start to finish. Let's build an electric atmosphere where your members want to watch every match.

NEXTREND®

Social Gaming Spaces

> One Place, Endless Possibilities

Friendly competition, drinks and laughter.

Create a crowd-pulling gaming zone built on friendly competition, flowing drinks, and great times.

From comfortable spectator seating to integrated attractions like FLYBY Darts and SHUFL, we design custom entertainment areas that blend flawlessly into your venue. Give your patrons the ultimate social destination—one that keeps groups playing, ordering, and coming back for more.

NEXTREND®

Gaming Spaces

> One Place, Endless Possibilities

Comfort that hits the jackpot.

Comfort designed for high-use gaming environments.

Create a polished, comfortable gaming space with commercial-grade stools, tables and lounge seating designed for durability and long periods of use.

We help you bring furniture, finishes, layout and surrounding breakout spaces together to create an environment that feels welcoming, considered and consistent with the rest of your venue.

NEXTREND®

Casual Dining Spaces

> One Place, Endless Possibilities

Effortless dining, unforgettable taste.

A place where good food and great company meet.

Our modular dining tables effortlessly join or separate to accommodate groups of any size, while stackable seating ensures your staff can easily adapt the floor plan for busy bistro nights. From furniture selection to full space refreshes involving carpet and lighting, we make upgrading your dining experience effortless.

NEXTREND®

Indoor Lounge Spaces

> One Place, Endless Possibilities

Kick back, catch up, stay awhile.

Whether waiting for friends or the next round of games to begin, create lounge areas that offer ultimate comfort and style.

Curate an inviting indoor lounge with our wide range of premium sofas, ottomans, and armchairs. Available in fully customized fabrics and finishes, our seating pairs seamlessly with coordinated coffee tables to tie your entire aesthetic together and deliver ultimate guest comfort.

NEXTREND®
